

The Cast-A-Way Workshop FAQ

Is it mandatory?

Let us be 100% clear and transparent when we say this is a purely elective workshop and will in no way affect our hiring process or guarantee any employment to any applicant.

What is it?

After 20 years of being on both sides of the spectrum, we see what challenges our clients are facing in their quest for the ideal crew member. Cast-A-Way already provides excellent preparation for all candidates, yet we want to be able to give our applicants the opportunity to take it one step further and take advantage of our extensive knowledge and understanding of the cruise line industry with an in-depth one day workshop.

How will it benefit me?

While the course content varies from program to program, you will find that the fun and interactive design of the Cast-A-Way Workshop will give you insight into the requirements and expectations of the modern cruise line employees / employers and provide you with necessary knowledge and tools to be a success in your career onboard.

The familiarization course will give you all the mandatory information that you will need to make an educated decision about whether this experience is a right fit for you. You will walk away from this program feeling confident about "embarking" upon this adventure and be more prepared to present your best foot forward!

The "preparing for a life of excellence" program will not only give you some key skills that will ensure your success onboard but we will also take you through your journey from start to finish. We will answer in detail from basic questions that are running through your minds such as, "What and how do I pack?" , "Where do I go when I get there", "What happens on my first day" as well as many other ship life coping skills such as "exceeding guest expectations", "working effectively in teams onboard" and "adapting to life onboard"! Let us ease your stress in a motivating and uplifting team environment, where you are all in the "same boat"!

Is there a cost?

The one day workshop is offered for the minimal cost of \$90.00. Completion certificates will be given and snacks will be provided.
